

Clocking in with NFC

Last updated - Jun 02, 2020 at 2:55PM

Web:	https://timedock.com
Email:	info@timedock.com
International:	(+64) 9 444 1384
Local phone:	(09) 444 1384

Requires:

- An NFC capable Android phone, with NFC turned on.
- TimeDock app downloaded and configured.
- Smart-chipped ID cards. [Click here to find out how to purchase.](#)

Clocking In/Out

With the *TimeDock* app installed and configured on your phone, as well as NFC turned on, simply place the smart-chip ID card next to the phone. *TimeDock* will detect the chip and automatically clock the employee in/out.

Note: Some Android devices won't let you read NFC tags with the camera on. For NFC-only mode, toggle the camera icon in the top right hand corner of your TimeDock app until you reach the green/red NFC screen.
