For Android

Click the button below on your Android phone to download our [Employee Time Tracking App](#) from the Google Play App Store

For iPhone/iPad

Click the button below on your iPhone to download our [Employee Time Tracking App](#) from the iTunes App Store

QR code readers

For other smartphones, TimeDock ID cards can also be read with most QR Code reader apps, and even the native camera app in newer smartphones, as long as there's an internet connection available. See below for some *recommended* QR Code scanner apps for various mobile device makers.

For Windows Mobile

Click the link below on your Windows phone to download Scan [QR Code & Barcode Reader](#) from the Windows App Store.
